Correct – you are not removing his report in any way by doing this. You are just removing a duplicate listing of him. He's currently in the PAS group and the nominee group as a filer. This will quickly become a problem once he starts filing new reports. This is the minor “clean-up” involved once a nominee is appointed and registered as a filer under their agency email.

Is that right?

Subject: RE: EPA Merge Request: Complete - Follow-Up [WARNING: SPF validation failed]

Happy to clarify. The merge is now complete which means as far as the filer is concerned, the nominee report he completed has immediately carried over to the surviving @EPA.gov account. Other than logging in with different credentials, his report will be exactly where it was a few minutes ago before the merge.

As far as your access to his nominee report, unless *your roles* in the nominee group change you will continue to have access. The report was certified in the nominee group, which is why the nominee group permissions control who can see it.

Please let me know if you have any questions.

Thank you,

OK, but before I remove him from the nominees group, I have a few questions.

You say his surviving account is his new email. But, if I remove him from the nominees section, can I still access his report if needed? Will he still be able to access his report himself? The only way I can view his report is as a nominee.

Hi Dan,

Thank you for contacting the *Integrity* Help Desk. I've successfully merged the filer's accounts. The surviving account is: **Ex. 6 - Personal Privacy** Please make sure to remove Mr. Pruitt from the -Nominees (EPA) group. He will still be listed as a filer in his new group.

Any previously completed and/or assigned reports have carried over. If the filer has yet to set a password for their MAX account they will need to select Forgot, Set, or Change Your Password on the *Integrity* login page:

LOGIN WITH ...

MAX.GOV USER ID & PASSWORD ?

User ID ☐ Set a Personal Username

Password [Forgot, Set, or Change Your Password?](#)

☐  Use MAX Secure+ SMS 2-Factor (BETA) ?

LOGIN WITH USER ID

PIV OR CAC CARD ?

 **LOGIN WITH YOUR PIV OR CAC**

Remember to plug in your PIV/CAC card

☐  Register a Secure+ SMS 2-Factor Device ?

LOGIN WITH PIV/CAC

MAX will send the filer an email with a link to set their password. Once their password has been set they can return to the *Integrity* login page using their email address as their username and the newly set password.

Please let me know if you have any questions.

Thank you,
